Well No. 5

The committee discussed the Well #5 project.

Lagoon

- The committee agreed to get a copy of Associated Engineering's report on the Wastewater Study to SERM and would like to invite SERM to a meeting to discuss the lagoon after SERM and the committee reviewed the report.
- Public Works to develop an action plan for a short-term fix to allow time for long-term solutions.
- The Public Works Supervisor will contact Leroy Starkes to discuss ammonia removal.

Other Business:

The Public Works Supervisor will look into Moe Williams' property.

Budget Meeting

A budget meeting will be scheduled during the week of March 19th or March 26th.

Equipment

The Assistant Foreman is ordering a truck loading chute for the snow blower in order to meet Environment Canada's requirements for our snow removal policy (which states that no snow is to be pushed into the river channel as it contains salt) on the 500 & 600 block of James Street North.

Next Meeting

The next meeting of the committee is scheduled for April 3, 2007 at 3:30 p.m.

Adjourn

The meeting was adjourned at 5:20 p.m.
