

**GO GREEN SASKATCHEWAN  
2009 PROVINCIAL TOILET REPLACEMENT REBATE PROGRAM**

The Saskatchewan Watershed Authority (SWA) has announced a Provincial Toilet Replacement Rebate Program to be funded through the Go Green Fund. It provides a \$50 rebate to Saskatchewan home and multi-unit complex owners who replace a high volume toilet (13-litre per flush or higher) with a dual-flush or 6-litre or less flush toilet.

This initiative is to encourage water conservation throughout the Province and the council of the Town of Lumsden have agreed to further encourage water conservation throughout our community by matching the \$50 rebate offered by Saskatchewan Watershed Authority.

**How do you receive your rebate from Saskatchewan Watershed Authority?**

- Complete application form available at the Lumsden Municipal Office or visit SWA's website at <http://www.swa.ca/WaterConservation/ToiletRebateProgram> to download a form.

**How do you receive your rebate from the Town of Lumsden?**

- Submit proof of payment (SWA Cheque stub) from SWA to the Lumsden Municipal Office

Please see application form or the website for complete details and program requirements.
