

Lumsden Public Works
3/9/2010

Equipment:

- Unit 60 street sweeper annual maintenance & repairs.
- Unit 20 garbage truck rear end was making noise. Taken to Capital Ford to be checked nothing was found and ever thing appears good. No cost

Drainage:

- Cary's Trenching completed blocking off of the drainage Structure 1A-3 today. The job went very good approximately 20' of pipe was removed. Quoted \$6,700. 50% will be covered by Sask Watershed.
- Spring drainage prep. has begun ditch clearing and opening up catch basins.

Roads:

Reports & Paper work:

- Fire reports
- Landfill report for Sask Environment
- D.E.D. cost share report
