

LUMSDEN SUMMER STREET MARKET

The Lumsden Summer Street Market is an open air market situated in the beautiful Qu'Appelle valley. In our inaugural year, we had tremendous success in selling everything from baking to home made cards to furniture and art. The possibilities are almost endless!

As we are a smaller market, unlike what you'd get in a large centre like Regina, we have a variety of booth sizes available. Let us know what you need and we can work with you to find an adequate space.

Get your application form in today and reserve your space for what will be another great season of street markets!
