 - (i) the date the interest based on the tax lien is registered; and
 - (ii) the issuance of title in the name of the municipality.

(1.3) If an abridgement order is made pursuant to clause (1.2)(b), the clerk or the treasurer shall register an interest based on the order in the Land Titles Registry, attaching a copy of the order duly certified by the local registrar of the court.

(2) If the judge makes an order he may impose such conditions as he deems expedient and may by the same or a subsequent order, as the case may require, on the application of the municipality, require that the whole or any portion of the costs of and incidental to the applications and of the work done pursuant to the first mentioned order shall be added to and form part of the amount required to redeem the land, in which case the sum ordered to be added shall form part of the amount required to redeem.

(3) No application shall be made under subsection (1) or (2) unless ten days' notice of intention to make the application has been given to the assessed owner of the land and to all persons appearing by the records of the Land Titles Registry to have an interest in the land.

(1.1) The Provincial Mediation Board may, on the request of a municipality, reduce the six-month period mentioned in subsection (1) if it is satisfied that to do so is desirable because of:
